Preemption - Ole L. Borge.
Date of entry - 29th July, 1909.
Homestead patented - 24th February, 1913.
Cancellation proceedings outstanding.

The Certificate of Recommendation issued in connection with the above entry expired 13th July, 1922.

The amount due on the purchase price with interest to the 1st November, 1924, is $695.24.

Inspector Nurcombe reported in October, 1923, that the improvements on the preemption consisted of 80 acres of cultivation - gone back - no value.

General Remarks:- From information received, entrant's last address was Regina. Lands fairly level, suitable for homestead, if person has other land in vicinity. If not recommend for grazing purposes only. Was informed that he did not intend to return to land. I recommend cancellation proceedings be instituted. Value $4.00 per acre."

Proceedings were commenced against the entry for non-payment, 27th November, 1923. No defence has been filed.

The Registration Abstract, 3rd April, 1924, records a Caveat lodged by the Municipality under the Tax Recovery Act. No other incumbrances.

In view of the nature of the Inspector's report and of the failure of the preemptor to file a defence or make a payment on account, it would appear that the preemptor is no longer interested. I suggest cancellation notwithstanding the winter protection. Area "B".

B. O. No. 1139.

EDMONTON,

July 24th, 1929.

Re N.W. ¼ 32-17-10-W. 4th Mer.,
Ole L. Berge.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that all liens Municipal Seed Grain and Joint Relief, registered against the N.W. ¼, 32-17-10-W. 4th Mer., for advances made to Ole L. Berge, be discharged.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated May 18th, 1929, and states in support of recommendation:-

1. That prior to the advances being made the debtor mortgaged the said land to the Manufacturers Life Insurance Company.

2. That the first Mortgagees foreclosed upon their security in the year 1923, and became the registered owners of the said land, and that by such foreclosure the liens were eliminated therefrom.

3. That after taking title to the said land the Mortgagees did not protect their security and the land has now passed to the Department of Municipal Affairs, as Administrators for the Municipal District of King No. 153, under Tax Recovery Proceedings.

4. That the land is situate in the Tilley East Area and has practically no value.

5. That under the arrangements made the said land will not be offered for sale but will be held only for grazing purposes, and any revenues derivable therefrom will be so small that there is no possibility of making any payment on account of the said liens.

6. That the debtor left the Country in the year 1923, and all trace of him has been lost, and there is no possibility of collecting anything under his personal covenant.

5409512

The Board .....

The Board therefore recommends that all liens registered against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Chairman, Seed Grain & Relief Adjustment Board.

Member, Seed Grain & Relief Adjustment Board.

Dear Sir:

Re: Ole L. Borge, NW¼. 32- 17- 10- W.4.
Municipal District Seed Grain and Relief.

The Municipal District of King #155 issued to Ole L. Borge SeedGrain and Relief in the years 1919 - 1920 and 1922. The outstanding unpaid account appears, as at December 31st, 1928, as:-

Seed Grain:		
Principal	$189.27	
Interest	85.46	
		$274.73
Relief:		
Principal	$ 90.00	
Interest	49.61	
		$139.61

As security for the advances, the Municipal District registered liens against Borge's land, the NW¼. 32- 17- 10- W.4th M. The Manufacturers Life Insurance Company foreclosed a prior mortgage on this land in 1923, but title passed to the Municipal District of King #155, under the Tax Recovery Act, on May 27, 1927. The land is situated in the Tilley East Area and has no commercial value; its value for grazing purposes is very small.

Borge lost all his interests and left the country after the mortgage foreclosure; nothing has been heard of him since, and no hope is entertained of any collection under his personal covenant.

I would recommend that this account be written off as uncollectable, both as it affects this man's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Provincial Government.

Yours truly,

W. Lovett

Acting Director.

Mr. Barling.

Please see copy of P. C. #17/2147 dated the 24th October last, pursuant to which I presume it would be in order to close out this account. Will you therefore kindly adjust the file statement in that regard.

Mr. Chevrier.

H. J. Perrin.

MEMORANDUM OF AGREEMENT between the Honourable Arthur Meighen, Minister of the Department of the Interior, on behalf of the Government of the Dominion of Canada, and the Honourable Charles Stewart, Premier, on behalf of the Government of the Province of Alberta, entered into this 23rd day of October, 1919.

WHEREAS the Government of the Dominion of Canada and the Government of the Province of Alberta recognize that a serious situation exists in a portion of the Province of Alberta, owing to the recent severe drought and consequent crop failure, and that the settlers in the areas affected are in many cases in need of certain relief by way of provisions and fuel, as well as fodder for animals.

AND WHEREAS the Governments aforesaid have undertaken to provide such relief to the said needy settlers affected on the terms and in the manner hereafter set forth:

THEREFORE, it is agreed by the said Minister of the Interior and by the said Premier of the Province of Alberta as follows:

(1) That the Government of the Province of Alberta will undertake the distribution of relief to said settlers whether owning their land or holding the same under entry from the Dominion of Canada and in accordance with their necessities.

(2) The respective Governments aforesaid will each bear one-half of the amount of such relief and for such purpose the Government of the Dominion of Canada will from time to time and upon the request of the Government of the Province of Alberta pay over to the latter the necessary funds to meet its one-half share of the total amount of relief as provided; it being understood, however, that no part of the expense of the administration in connection with the distribution of such relief is to be paid by the Government of the Dominion of Canada.

(3) The security of liens taken for relief advances shall be in favour of the Government of the Province of Alberta, except in cases where relief is being extended to settlers upon unpatented lands, in which event the security or liens on such unpatented lands shall be in favour of the Government of the Dominion of Canada.

(4) If relief is provided by a municipality and the Government of the Province discharges a liability for the actual amount of such relief or part thereof incurred by the guarantee of such municipality, the Government of the Dominion of Canada will pay the Province one-half of the amount paid to discharge such liability and thereafter one-half of any amount collected by the Province in respect of such relief or the security taken therefor shall be paid to the Government of the Dominion of Canada, and where money is collected either by the Government of the Dominion of Canada or by the Government of the Province of Alberta in respect to other advances made under this agreement, the Government making such collection shall pay one-half of the same to the other Government.

(5) No discharge or partial discharge should be given of any security except by mutual consent of the Premier of Alberta and the Minister of the Interior or in accordance with the principles hereafter mutually agreed to.

(6) The nature of relief to be distributed and money to be expended therefor, as well as the evi

form of security to be given by the occupants of patented lands, shall be determined by the Province, provided that no lien upon land taken pursuant to this section shall take precedence over any instrument registered prior thereto. In the case of occupants of unpatented land evidences of debt and security shall be taken in favour of the Dominion in such form as may be determined by the Minister of the Interior.

(7) All securities taken for the above purposes shall carry a rate of interest of seven per centum (7%) per annum.

(8) The Minister of the Interior and the Premier of the Province of Alberta will undertake to have an Order-in-Council passed as soon as possible by their respective Governments to ratify the Agreement herewith, and the Minister of the Interior and the Premier of the Province of Alberta will undertake to have their respective Governments pass, at their next session of Parliament, the necessary logislation approving, ratifying and confirming the Order-in-Council and Agreement made for the purposes aforesaid.

IN WITNESS WHEREOF the parties hereto have hereunto set their hands the day and year first hereinbefore written.

ELIGIBILITY FOR SOLDIER GRANT ENTRY :

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,
(2) of his Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,
(3) of his Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,
(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,
(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 19, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Yr. Ref. 115784-118731.

It will be noted from your file that several communications have been addressed to Mr. Brown of Glenwoodville, under dates of 23rd September, 29th November and 30th January last, and as no reply has been received to same, an effort should therefore, be made to have Mr. O.R. Brown interviewed and collection made. A report should also be forwarded as to whether or not he is farming in that district and giving full particulars. It should also be impressed upon him that failure to reply to Departmental communications invites drastic action.

Your obedient servant,

P. Marchand,

Financial Controller.

MEMORANDUM:

Timber and Grazing Lands Branch
Attention W. J. Grimes

S.W. 4-3-7 W.4th M.
N.E. 5-3-7 W.4th M.
S.W.30-3-7 W.4th M.

In reply to your memorandum of the 15th instant hereunder, I am to state that the N.E. 5-3-7 W. 4th M. was formerly the pre-emption of R. W. Gilchrist of Orion, Alberta and of Fraser, P. O., Alberta. His entry was cancelled on the 19th June, 1925. No request has been received for a refund of the value of the improvements. He appears to be indebted to the Department for seed grain.

The S.W. 4-3-7 W.4th M. was formerly the pre-emption of O. R. Brown of Pendant D'Oreille, Alberta, his entry for which was cancelled on the 22nd of April, 1927. No application has been received for a refund of the value of the improvements. He appears to be indebted to the Department for seed grain.

The S.W. 30-3-7 W.4th M. has never been held under entry. It was formerly reserved for stock watering purposes.

It would appear that this Branch has no objection to refunds, provided provision is made for any outstanding taxes and seed grain.

There is, however, no security for this amount possible on the covenants of the settler who homesteads and I would recommend that the whole amount be written off - the entirety; the provincial land tax is $ 50.00 having already been cancelled under Chapter 10, Statutes of Alberta 1921.

Dear Sir:

O. R. Brown received the following Advances for Joint Relief:-

March 31st, 1920	$ 157.50	
November 24th, 1919	79.60	
March 18, 1919	40.00

January 4th, 1922	18.35	
April 10th, 1922	70.25	$ 494.15

At the time these advances were received Brown was farming the above parcels of land and liens were registered against the NW of 4-3-7-W4th.

He failed in his farming operations with the result that Tax Recovery proceedings were taken under the provisions of the Tax Recovery Act 1929 which resulted in the liens being eliminated. The SW of 4-3-7-W4th is now shown as Crown land clear of encumbrances.

Seed Grain Advisory Board.

Re: Account of Oscar Rosewell Brown
S.W. 4-3-7-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919, 1920 and 1921 seed grain amounting to $525.17 was advanced to Oscar Rosewell Brown on the security of the above mentioned land. A payment of $10.00 was received in 1928 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 525.17	$ 1,181.16	$ 1,706.33

The S.W. 4-3-7-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 12th of April 1927 and the land is still unalienated Crown Land held in the right of the Province.

This quarter section is described as unsuitable for farming operations and only suitable for grazing purposes.

The land is under the jurisdiction of the Department of Lands and Forests, Province of Alberta and is presently included in a grazing lease issued in the name of Mrs. A. & B.O. Krenzke of Pendant D'Oreille, Alberta. As such the land no longer offers any security of value for our advances.

Under the circumstances it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

It will be noted from your file that several communications have been addressed to Mr. Brown of Glenwood, Alta. under dates of 23rd September, 29th November and 1st January last. As no reply has been received to same, an effort should therefore be made to have Mr. C.A. Brown interviewed and report on same. A report should also be forwarded as to whether or not he is farming in that district and giving full particulars. It should also be impressed upon him that failure to reply to the several communications invites drastic action.

In reply to your memorandum of the 14th instant hereunder, I am to state that the N.E. 5-3-7 W. 4th M. was formerly the pre-emption of N. F. Gilchrist of Orion, Alberta, and of Fraser, [illegible], Alberta. His entry was cancelled on the 29th June, 1925. No request has been received for refund of the value of the improvements. He appears to be indebted to the Department for seed grain.

The S.W. 4-3-7 W.4th M. was formerly the pre-emption of O. R. Brown of Pemcant D'Oreille, Alberta, his entry for which was cancelled on the 22nd of April, 1927. No application has been received for a refund of the value of the improvements. He appears to be indebted to the Department for seed grain.

The S.W. 30-3-7 W.4th M. has never been held under entry. It was formerly reserved for stock watering purposes.

It would appear that this Branch has no objection to refunds, provided provision is made for any outstanding taxes and seed grain.

GOVERNMENT OF THE PROVINCE OF ALBERTA
DEPARTMENT OF MUNICIPAL AFFAIRS

EDMONTON ALBERTA

March 15th, 1940.

Mr. Wm. Loree,
Chairman,
Seed Grain & Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

re: O. R. Brown -
NW of 4-3-7-W4th Patented
SW of 4-3-7-W4th Unpatented
Joint Relief Liens

O. R. Brown received the following advances for Joint Relief:-

March 31st, 1920	$ 157.50
November 24th, 1919	79.80
March 18, 1919	40.00
May 21st, 1919	23.40
April 27th, 1921	45.00
February 5th, 1922	18.50
January 20th, 1922	17.50
March 4th, 1922	18.25
January 4th, 1922	18.25
April 10th, 1920	70.45
	$ 494.15

At the time these advances were received Brown was farming the above parcels of land and liens were registered against the NW of 4-3-7-W4th.

He failed in his farming operations with the result that Tax Recovery proceedings were taken under the provisions of the Tax Recovery Act 1929 which resulted in the liens being eliminated. The SW of 4-3-7-W4th is now shown as Crown land clear of encumbrances.

..... Cont'd

This half section is situated in the southeastern corner of the province where lack of precipitation will not permit of successful farming. The lease and the Department of Lands, Mines, under whose administration these lands now stand, advises that they will be used, in the main, for grazing purposes.

There is, however, no security for this ancient remains; as to whereabouts of the latter are unknown until I would recommend that the entire deposit be written off in its entirety; the provincial fund drain in a sum of $ 895.65 having already been expended under Chapter 32, Statutes of Alberta 1939.

Re: Account of Oscar Rosewell Brown
S.E. 4-3-7-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1[illegible], 1[illegible] and 1921 seed grain amounting to $525.17 was advanced to Oscar Rosewell Brown on the security of the above mentioned land. A payment of $10.00 was received in 1928 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 525.17	$ 1,[illegible]81.16	$ 1,706.33

The S.E. 4-3-7-W4 is formerly the pre-emption of the debtor whose entry was cancelled on the 15th of April 1927 and the land is still unalienated Crown Land held in the right of the Province.

The quarter section is described as unsuitable for farming operations and only suitable for grazing purposes.

The land is under the jurisdiction of the Department of Lands and Forests, Province of Alberta and is presently included in a grazing lease issued in the name of Mrs. A. & E.O. Krause of Vendant D'Oreille, Alberta. As such the land no longer offers any security of value for our advances.

Under the circumstances it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

Re: Account of Oscar Rosewell Brown
[illegible] 4-3-7-14

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Dominion Member.

I have received your letters of November 9th and November 11th, and have examined the records relative to the homestead of your late husband.

Patent to the N.E. 24-48-5-4th Meridian, on June 23rd, 1913. His certificate of naturalization was dated March 10th, 1913 and was forwarded with the application. It was returned to him on July 16th, the same year.

Possibly the different spelling of the name may be the reason that the record of naturalization was not located by the Naturalization Branch of the Department of the Secretary of State. I notice that the name was spelled Dahlgren but application for patent was made under the name of Dahlgren.

I am sending this letter in duplicate for whatever use it may be to you.

Yours very truly,

J. Lorne Turner,
Registrar of Lands.

Sir,-

N.. ¼ of Sec. 13 Tp. 49 Rge. 2 West 4thMer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who will become entitled thereto on or before the 1st January, [illegible] the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation of this letter to the Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for the vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same to his own benefit or in favour of a relative for the purpose of [illegible] entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant.

This is a case of where all seven editions of a township plan show two quarters as Wesleyan Methodist Mission, and yet the two quarters have been patented to homesteaders.

The files do not show how the discrepancy arose. The matter might be referred to Mr. Gliddon.

8th April, 1930.

Reverend Sir,

A. 1/2 33-57-10- . 4th M.

Referring further to your letter of the 4th February, 1929, and my reply of the 11th December, last, I beg to say that there is no record here of any application having been made at any time by the Wesleyan Methodist Missionary Society covering the above mentioned half-section nor is there any record of a grant having been made affecting this land.

When the lands formerly included in the St. Paul de Metis half-breed Reserve were thrown open to homestead entry in 1909, this half-section appeared in the printed list of available lands, but although due public notice was given before these lands were opened for entry there is nothing to show that the Missionary Society took any steps to file a claim.

The half-section was in due course taken up by two settlers, each of whom made application for entry made affidavit that there were no improvements and no one in residence on either of the quarter-sections. In due course, upon proof of the performance of settlement duties, patents were issued for both quarter-sections.

The Reverend S. Hilbert Moore, M.A.,
Secretary, The United Church of Canada,
417 Wesley Building,
Toronto 2, Ontario.

Yo

No correspondence appears in regard to the claim of the mission until an enquiry was made by the United Church of Canada on the 1st February, 1926.

It is understood that the Wesleyan Methodist Church had a mission on the Saddle Lake Indian Reserve, but this mission is situated some twelve miles from the half-section now in question.

It might be added that the practice of this Department as defined by the Order in Council of the 8th March, 1888, fixed a maximum of forty acres in connection with grants for church purposes. The present practice is to confine a grant for mission purposes to an area of two acres. Further it might be pointed out that grants under the old practice contemplated the continued use of the land for church purposes and where the land did not continue to be so used any patent which had been issued could be cancelled.

Under the circumstances as above set forth it would appear that even if at one time the Mission had occupied the west half of section [illegible], Township 57, Range 19, West of the 4th Meridian, that occupation was terminated over twenty years ago, and there does not seem to be any ground upon which a grant of other land could be made.

Commissioner.

Re N.W. 12-57-10-W.4th Mer.

Adverting to your letter of the 2nd September last, replying to the Departmental communication dated the 8th April, 1930, in further reference to the possibility of a grant having been made of the above mentioned half section for church and mission purposes, I beg to say that this question has been exhaustively investigated and the records of the Department do not disclose any evidence of an application having been made for this land.

As, however, the transfer of the resources precludes this Department taking any action on the suggestion contained in your last letter, the matter is being referred to the Director of Lands, Department of Lands and Mines, Edmonton, for the consideration of his Department.

The above described land was granted by this settler under soldier grant entry. The settler was in default in the terms of his agreement with the Board and abandoned the land. His agreement was [illegible].

The settler was established with a team in March, 1918, and in the course secured advances from the Board amounting to $[illegible].27, as follows: [illegible] $658.70; permanent [illegible] $498.30; stock and equipment, $1145; special advances, $ [illegible].47. In addition the Board holds a charge on the settler's pre-emption the N.W.¼ 16-1-12 W.4th and title to the S.E. 16-1-12 W.4th [illegible].

Early reports indicated that this settler was unlikely to make a successful farmer for the reason that although a hard worker he lacked initiative, and would [illegible] waiting for [illegible]. Repeated letters were forwarded to settler, but to no avail was received. The settler was later located by the field supervisor working on a sheep ranch in Montana. His agreement with the Board was rescinded pursuant to a quit claim deed executed by him on the 23rd September, [illegible].

The settler's indebtedness [illegible] to $[illegible].14. The latest valuation [illegible] on the soldier grant is $[illegible]. The valuation [illegible] pre-emption quarter at $[illegible].40. The quarter-section to which we [illegible] been appraised at $744, giving a total valuation of $[illegible]. No arrangements have been made for the leasing of this land as settlers have been received.

The land is [illegible] being charged [illegible] the terms of [illegible] the Soldier Settlement Act, and the settler [illegible] default with regard to the terms and conditions of his agreement [illegible], [illegible] Majesty [illegible] the said [illegible] in the same.

5th July, 1933.

Sir:

I beg to acknowledge receipt of your communication of the 17th instant in which you request to be advised as to the whereabouts of your brother, Frederick Hayward. According to the records of this office, he acquired Homestead entry on the 22nd June, 1909 for the North East ¼ Section 27, Township 13, Range 10, West 4th. He acquired Patent for this land on the 14th July, 1919. Since then the land has been revested in the name of the Crown, and is no longer his property.

From my file, I find that considerable correspondence was received on behalf of your brother up to July 13th, 1918, through Messrs. Scott, Styles & Company, Barristers, etc., Bank of Nova Scotia Chambers, Regina, Saskatchewan, and you may be able to locate his whereabouts through this Company.

It is further noted that he acquired from the Commissioner of Dominion Lands, Department of the Interior, Ottawa, Ontario, authority to acquire a second homestead, and it is possible that he may have used this right in some other part of the Province, or in Saskatchewan or Manitoba.

I am by a copy of this communication, forwarding a copy of your letter to the Commissioner of Dominion Lands and to Messrs. Scott, Styles & Company, requesting that if they are aware of the whereabouts of your brother, to kindly advise you.

I am to inform you that the Agent of Provincial Lands, Department of Lands and Mines at Lethbridge, has forwarded to this office a copy of your letter of the 17th June last requesting information as to the records of your brother, Frederick Hayward,

As he never obtained authority to file on a second homestead, I am unable to furnish you with other information than that furnished by the Agent of Provincial Lands.

I am, however, forwarding a copy of your letter to the Deputy Minister, Department of National Defence, who may be in a position to furnish you with additional information in view of the fact that your brother enlisted in the Canadian Corps.

deceased.

Under date of the 30th of August, 1922, the War Office, London, England, notified this Department that the late Mr. Swayne had predeceased his father, and died intestate, and that the amount due from the Army funds became the property of the father, who has since died, and that the amount due from the Army funds was accordingly paid to his daughter, Miss May Rose Swayne, in care of your firm.

I enclose herewith a copy of a letter which was addressed to Miss Swayne on the 16th of October last, asking for an expression of her wishes in connection with the pre-emption of her deceased brother, the land above described. As no reply has been received from Miss Swayne, I would ask you to be good enough to inform this Department as soon as possible whether you are still acting on behalf of Miss Swayne and, if so, to favour the Department with an expression of your views in regard to the matter.
